

Schedule of gas Deemed contract charges for non-domestic customers

These charges have been fixed by British Gas Trading Limited in relation to the British Gas Lite Deemed contract. All gas supplied under the contract from 1st October 2023, will be charged in accordance with this schedule.

We may offer to enter into a formal contract with you instead of charging you based on our Deemed rates.

These charges are subject to change or withdrawal and can be changed with 30 days' written notice. Your supply is also subject to Terms and Conditions. The charges in this schedule may apply to any customer supplied as a consequence of us receiving a direction from the Gas and Electricity Markets Authority (Ofgem) to act as the supplier of last resort.
