

Contract price information for existing British Gas Lite customers

The schedule below sets out our maximum contract price information for existing British Gas Lite customers. All prices exclude VAT, CCL and any other applicable charges. Direct prices refer to online sales. Partner prices refer to Third Party Intermediary and telephone sales.

*The estimated cost for each contract is based on an average annual consumption of 20,000 kWh for electricity and 30,000 kWh for gas.

Contact us on webchat for more information britishgaslite.co.uk/contact-us
